EXPERIENCE

Full Stack Developer   Apr 2024 - Present
Zeominds IT Solutions   *Hyderabad, Telangana*

- Managing a team of 5 tutors for delivering comprehensive lectures on MERN Stack and DSA.
- Developed and implemented a comprehensive front-end framework, including reusable components and libraries, cutting development time by 40% for future projects.
- Providing up-to-date resources and materials with the mock interview and projects to over 200+ trainees.
- On-boarding new interns and provide training on company policies and procedures.

Senior Trainer   Jul 2023 - Feb 2023
CodeShastra   *Gurugram, Haryana*

- Spearheaded developing and enhancing multiple web projects and focused on MERN development and AWS.
- Managing external part-time mentors by explaining to them what is required to be taught in the sessions and keeping track of the courses.
- Evaluated student submissions, provided constructive feedback, and ensured the successful completion of challenging projects.

Front-end Developer cum Trainer   Nov 2021 - Jul 2023
CollegeDekho   *Gurugram, Haryana*

- Worked on building Teacher and Admin dashboards and various re-usable UI components for a B2B Product.
- Worked on enhancing doubt asking feature of courses given by PrepBytes that improved student/mentor engagements by 20 %.
- Mentored over 1000 undergraduate, graduate, and working professionals in MERN stack development.

PROJECTS

YouTube Clone. Developed a YouTube clone with ReactJS, NodeJS, and Firebase, allowing users to search and watch videos. Users have utilized it, with positive feedback on its ease of use. (Try it here)
